

## Palm Sunday

1. Jesus fulfilled prophecy at His triumphal entry.  
(Zech. 9:9, Ps. 118:22-26)
  
2. Jesus conquered by defeating the forces of darkness when He became our sacrificial, Passover Lamb (I Cor. 5:7 b)
  
3. He went to the cross to pay the penalty for our sins and justify us. (Rom. 4:25)
  
4. Now we can identify with Him:
  - A. In his righteousness (Rom. 4:24) (Cor. 5:21)
  
  - B. His character and walk. (I John 2:6)
    - (1) The transformation process is all about changing with whom you identify.
  
    - (2) With whomever you identify will determine your actions.
  
  - C. His anointing and power work miracles.
